NOTICE TO MEMBERS
MEASUREMENT OF CARPET AREA

As part of our redevelopment process it becomes necessary to arrive at the carpet area of flats occupied by our members in Yojana Society.

Our PMC – Toughcons Nirman's surveyor shall be taking measurements starting from this Sunday, 13th November, 2022. They are equipped with digital instruments and they hope to complete each flat in 15-20 minutes. Those flats not completed on Sunday shall be covered on Monday and Tuesday (14th and 15th November).

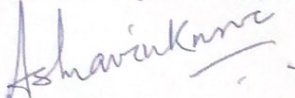

We shall be measuring select flats and all other flats' area above or below this flat will be taken as same. All flats with odd / different areas will also be measured. Area of all three shops shall also be measured.

Respective flats occupants have already been informed of this measurement. Exact timings shall be informed on phone in advance.

Following flats shall be measured:

- A – 4, 9, 11 and 14
- B – 2, 3, 4, 5, 11, and 12
- C – 2, 3, 13, and 16
